REMARKS

This Amendment cancels claims 24 and 28, because they depend from claims that were previously canceled.

This Amendment amends claims 25, 45, 64, 71-72, 78-81 and 86-87 to correct antecedent basis errors.

This amendment meets the requirements of MPEP 714.16 for entry by the Examiner. It does not affect claim scope, and thus does not call for an additional search or examination. This amendment was not presented earlier, because the errors were not noticed earlier but only upon review of the claims before paying the issue fee.

Respectfully submitted,

Mitchell Rose
